Signature of the applicant

I have read the research and study plans drafted by the applicant and recommend that the Scientific Postgraduate Committee should consider them. If the Committee accepts the application, I am available to act as a Supervisor. According to established practice, supervising is carried out in accordance with responsible conduct of research and without any special compensation.

Name in print of the main supervisor

Professor/Docent Degree and Field

Signature of the main supervisor

Name in print of the 2nd supervisor

Professor/Docent Degree and Field

Signature of the 2nd supervisor
