Self-Guided Tour

1. Welcome to the TAMK Main Campus! Say hello to the staff at our Info Desk and check out the BioHub studio downstairs (take the steps opposite the Info Desk).

2. Back up to the Info Desk, climb up to the 1st floor. Check out our Library and its working spaces on the 1st and 2nd floor.

3. Leave the Library at the 1st floor and turn left to Service Street, which has all services a student may need: IT Helpdesk, International Services, Study Services, Social Counsellor, Admissions Office, Career Services and Well-being Counsellor.

4. After the glass doors (halfway down the corridor), turn right and go downstairs. You will find the Campusravita Restaurant, where a full meal for students costs only €2.60.

5. On your right, you can see a couple of steps up to the Teiskontie Lobby. Walk up there and enter the adjoining lobby on your right. Now notice the Main Auditorium on your right and the Campus Shop and Campus Café on your left.

6. Take another turn left, and you will find the Y-Campus, where we make entrepreneurs and come together with companies to innovate.
Back to the Teiskontie Lobby, you will find another Info Desk on the left. Walk straight to the end of Corridor E1 and take the steps down to F0 floor. There is a metal door on the right, which leads you to our OpenLab with 3D printers available for students and staff.

Heading outside, on the left you will see our AutoLab, the home of the Student Formula Team. You can also see the Tampere University Hospital (TAYS) across the Kuntokatu Street. Now, turn left and walk round the corners back to the Main Entrance and the lobby. The glass doors on your right will lead you to the wings H and I.

There are several labs along Corridor I0: Paste Making, Paper Lab, Textiles Lab, Fiber Lab, Waste Management Lab, Construction and Geo Labs.

At the end of I0 you can see our Vacuum Flush Earth Toilet and Dry Urinal.

When you leave the I0 and step outside, pay attention to our Greenroom (left) and our wind turbine (right on the roof).

Straight across the yard, on the right, is the TAMK Sports Arena – sports facilities for students and staff for one annual fee. (Cannot be accessed without a key.)

If you walk around the sports building and turn to the right, you will find Solu, the office of the Student Union Tamko.

Now, turn back and walk around the Main Building until you find the Teiskontie Lobby (door B1).

Thank you for visiting TAMK!
